PUT MELANIE'S EXPERTISE ON YOUR SIDE.

As a CDFA professional, Melanie Colwell has successfully completed comprehensive training and testing by The Institute for Divorce Financial Analysts (IDFA™). She specializes in helping clients with financial issues that will affect the rest of their lives, including:

- Valuing and dividing property
- Retirement assets and pensions
- Spousal and child support
- Tax implications

If you're facing a divorce, learn about your financial options. Call Melanie Colwell at Galecki Financial Management today at 260.436.8525.

ABOUT MELANIE

Melanie Colwell, CFP®, joined Galecki Financial Management in 2005 and became a shareholder in 2011. She focuses on analyzing cash flow, risk management, estate planning and retirement projections for the firm's financial planning clients and meets regularly with them to review their financial plans and asset management reports. Melanie graduated in 2006 from The American College with her Financial Planning Certificate, and she passed the national board exam and officially became a Certified Financial Planner professional in January 2007.
